To my love Katooosh

What day is it?

It is not in April, March, June, or SeptemBER

It is not in January, Febraruary, October or DecemBER

It is not in November, July or MAY

IT IS IN AUGUST and it is Katooosh's Birth DAY!

And now as Katooosh celebrates year 29,

All she gets is malt beer and all she wants is wine!

This past year by mistake Katooosh went to France

And this year we even got to dance,

And as Katooosh moves into her first house this year - or about,

I hope I won't get voted out!

They say I need to end a poem all "moshy" and crying,

I can't because I am at work and people will say "Is the boy dying???"

Thus, I only say "I love Katooosh" and will try to rhyme

I just want to tell you I mean it every time!!!!

And as Katooosh approaches the big 3-0

I love more and more and let my love just grow!!!

In this

15 Aug 00
A day before
Katooosh's (and Elvis's?)
birthday

a gift you can use!

Happy Birthday

don't ~~lose~~ it
pain!!!!

LOVE,
Tad
